Dear RED DOG CLUB Member,

Thank you for your support of the Springdale High School Football program by joining the RED DOG CLUB during this past year. The RED DOG CLUB's mission is to support the SHS football program in a manner that enhances the high school experience for the Springdale High School football program.

During this past year, with your help, the RED DOG CLUB was able to provide needed support of the SHS football program by contributing in the following ways:

*Our first annual college scholarship presented to Cory Shipman to further his education*

*We supported the team at home games with tailgates*

*Joe Dean Davenport was on hand when we presented a traditional type t-shirt to each football player*

*The purchase of a Game Ready machine has helped players with rehab of acute and chronic injuries*

*Purchasing new video equipment helps with film analysis & improving skills*
